

The Ups And Downs Of An Instrument Proficiency Check

Don't let the title fool you, this exclusive seminar will be of interest to instructors, instrument rated pilots and pilots that are interested in information about instrument ratings. Mal Beckham, a well know instructor in Western North Carolina will discuss the required elements of an Instrument Proficiency Check (IPC). Don't miss this opportunity to learn unique information about instrument flying. The mysteries of the IPC will be revealed. Click the link below and register TODAY!

Directions: From I-26 take the Asheville Airport exit turn South, take the first entrance into the airport at the "green learn to fly here" sign. Go straight to the yield sign; the Lacy Griffin building is straight ahead. Additional parking is available in the gravel lot to the left of the yield sign.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
